

Capital Numbers Launches NonStopWork - White-Label Services for Digital Agencies

Capital Numbers launches NonStopWork
- White Label Agency working exclusively
as a reliable back-office for established
digital agencies.

KOLKATA, WEST BENGAL, INDIA, January 4, 2022 /EINPresswire.com/ -- Capital Numbers, an award-winning and top-performing IT outsourcing company in India known to provide unparalleled web and mobile app development services, launched NonStopWork on 4th January 2022, a one-stop white-label agency headed by Mukul Gupta, the CEO of Capital Numbers.

The new company will empower digital agencies to expand their offerings, provide faster and better solutions,

ensure better scalability, build lasting relationships with their customers, and thus, streamline the whole process and scale-up businesses.

NonStopWork works as a reliable partner of digital agencies and allows them to leverage its skill sets to offer various IT services, including web development, mobile app development, QA and testing, DevOps, and creative design to customers on their behalf.

With over 100+ five-star ratings on top B2B review websites, including Google, <u>Clutch</u>, GoodFirms, G2, Trustpilot, etc., 25+ awards in the last nine years, and 237+ clients worldwide, NonStopWork offers stability and support to businesses.

While talking about NonStopWork, Mukul Gupta, the CEO of Capital Numbers, states, "Most agencies we speak to are skeptical of outsourcing because they have had an experience where they hired someone offshore and then spent 3-4 hours a day just testing. But at NonStopWork, we pair our developers with a dedicated QA specialist. Thus, while you only pay for a developer, you also get built-in QA services, which takes the burden off you for testing. This is why we are
