

Zepp Health To Host Wearables Data in Healthcare State of the Union Event with Industry Thought Leaders on Jan 5 2022

CUPERTINO, CALIFORNIA, USA, January 3, 2022 /EINPresswire.com/ -- Zepp Health Corp. (NYSE: ZEPP) today announced that it will host an event to share thoughts among industry leaders on the current state and path forward in the use of data in healthcare from smart wearable devices. Speakers will include:

- Zepp Health Chairman & CEO Wayne Huang providing industry perspective
- International Data Corporation (IDC) Research Manager Jitesh Ubrani providing global perspective
- The U.S. Healthcare Information and Management Systems Society (HIMSS) Senior Director, Federal & State Affairs Jeff Coughlin providing IT perspective
- The U.S. Office of the National Coordinator for Health Information Technology (ONC) Deputy Director, Office of Policy Elisabeth Myers providing regulatory perspective
- Stanford University Sleep Lab Professor Emmanuel JM Mignot, Ph.D.
- Norwegian University of Science and Technology Research Coordinator Alf Egil Edvardsen
- Peking University First Hospital, Professor in Cardiovascular Diseases Jie Jiang, M.D.

The event will begin at 8:00a.m. Pacific Time on January 5, 2022, as a LinkedIn Live event. Following initial statements from the speakers, question and answer sessions will follow, including both planned questions as well as questions from listeners. To RSVP, you will need to first register for a LinkedIn account, follow Zepp Health's company page ([linkedin.com/company/zepp-health](https://www.linkedin.com/company/zepp-health)) and then click the event page pinned to the top or use the following link:

https://www.linkedin.com/events/wearablesdatainhealthcare-astat6874396874909069312/?lipi=urn%3Ali%3Apage%3Acompanies_company_index%3B430c8f1e-d737-492e-9c7b-10a5acee68ea

Once you accept the invite to an Online Event on LinkedIn, you'll be listed as an attendee on the

Event page. You'll receive an in-app notification on LinkedIn as the Event is about to start and you can click View Event to be directed to the live streaming. The page will ask you for reconfirmation and you can click Open Link to be redirected to the website which is hosting the Event.
