Most timeless creativity stems from photographic imagery that lays a foundation for subsequent images and budding photographers. With that, IAA intends for London Photography Awards to celebrate, honour, and recognise excellence in photography worldwide, advocating those

who bring ideas to life, with different techniques and creative approaches, whilst demonstrating the millennia-long history of The Swinging City and its advancing beauty. This competition will be accepting entries from 11 January 2022, with results to be announced on 13 May 2022.
