Keto Queen's chocolate chip cookies are a favorite with consumers.

“The cookies are just two of our 14 tasty desserts and breakfast bake mixes,” Sanabria said. “We make low-carb bake mixes that are sugar-free and gluten-free. We have desserts for everyone.”

Sanabria created her bake mixes after she chose to live a healthier low-carb diet.

“I couldn't find any desserts that satisfied my taste buds,” Sanabria said. “I always loved baking so I decided to experiment at home.

“My family and friends started complimenting me about my recipes, which is when I realized I should start my own company,” she said.

Sanabria first sold her bake mixes on Etsy and then opened a store on [Amazon](#).

“Now, we are looking to add more retail outlets,” Sanabria said, adding that her products are available on Amazon.
