

# OAH Coin Presale to commence from January 7, 2022

*The blockchain based cryptocurrency platform aims to achieve primary goals for "Healthy and Dignified Ageing"*

HUSTON, ALASKA, UNITED STATES, January 5, 2022 /EINPresswire.com/ -- It is disheartening to observe that more and more seniors are now facing loneliness and lack of proper health care. Senior citizens, being the soft targets, are most vulnerable to become victims of any crime. The OAH Family is standing to use the blockchain technology to make a positive shift in this situation.

OAH Family is all set to roll out an unmatched and unbelievable offer for its users through Presale. Like any other cryptocurrency, it is based on highly protected blockchain technology that removes mediators and makes the system decentralized. On the same line, OAH Coin comes as a digital asset in the cryptocurrency world that provides space to initiate the process of creating a "society for all ages".

“

Because the people who are crazy enough to think they can change the world are the ones who do.”

*Steve Jobs*

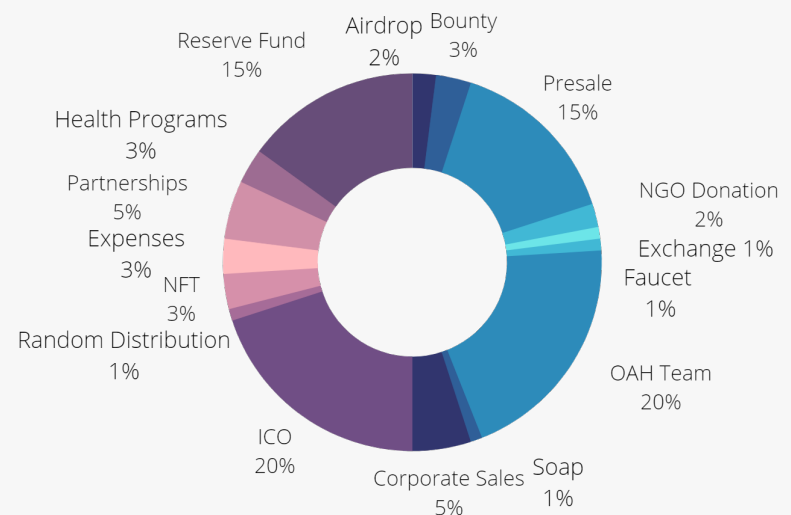

Over 20K volunteers have globally joined OAH Family, as visible on the Live Map on OAH Family website.

More than 8,000 followers have joined the official Telegram channel till the time of publishing. Also there has been a significant increase in number of followers on YouTube, Instagram, Facebook and Twitter.

OAH Coin has been announced to be available through the Presale starting from 7th January
