

Mighty Paw Launches Travel Dog Water Bottle & Redesigned Dog Treat Pouch For Hydration And Food Rewards On The Go

The family orientated dog gear company released two new products for active dogs that make outdoor adventures and training sessions easier than ever.

ROCHESTER, NY, USA, February 9, 2022 /EINPresswire.com/ -- Mighty Paw, creators of the wireless Smart Bell, Sport Dog Harness 2.0 and other [innovative dog gear](#), announced the launch of their new [Travel Dog Water Bottle](#) and of their redesigned [Dog Treat Pouch 2.0](#).

Made with a BPA-free, food grade silicone leaf that flips over and functions as a water bowl, the reusable Travel Dog Water Bottle is environmentally friendly and safe to drink from. Its leak-proof silicone nozzle cover prevents messes while it's being carried on the soft wrist strap. Alternatively, it can also be clipped to a dog harness or any backpack thanks to the complimentary carabiner clip that's included with each bottle.

Mighty Paw's new travel dog water bottle holds 20 oz of water and features a built-in dispenser

The Dog Treat Pouch 2.0 has even more functionality than before! The redesigned version of its predecessor now offers 4 storage solutions along with 4 hands-free uses. Its main compartment holds 2 cups of food to ensure that dog owners won't run out of treats on their walks and training sessions. The strong mesh pocket holds phones while the zippered pouch is the perfect spot for wallets and keys. Last but not least, the integrated poop bag holder dispenses pick up bags as needed. As a bonus feature, it also includes a free roll of poop bags.

The Mighty Paw Dog Treat Pouch 2.0 includes reflective stitching for low-light visibility and can either be worn over the shoulder, across the body or around the waist using an adjustable shoulder strap. Alternatively, it can easily be clipped to a belt or pants.

****Travel Dog Water Bottle Details****

****About Mighty Paw****

Founded by Corey Smith in 2015, Mighty Paw is a small family-owned and operated dog gear company that's headquartered in Rochester, NY. Their first product, a hands-free bungee leash set, was born out of sheer necessity when Corey and his wife Sonya, both avid runners, couldn't find the right gear for runs with their dog Barley. Since then, Mighty Paw has designed a full range of high-quality, affordable products that make life easier and more fun for active dog parents. <https://mightypaw.com> <https://mightypaw.com/blogs/news> <https://www.instagram.com/mightypaw/> ###
