Barberitos’ pulled pork is made with a seven-spiced rub before it is slowly cooked at a low temperature. As a result, tender, flavorful pork serves as an ideal topping on Barberitos’ burritos, tacos, bowls, salads and nachos.

As a southwestern grille and cantina, Barberitos is dedicated to serving farm-fresh, high-quality food in an efficient manner. In addition to the pulled pork, all of the restaurants’ menu items are prepared or cooked in-house daily, including hand-smashed guacamole, home-made salsas, fresh-cut vegetables as well as chicken, steak,

turkey, tofu, rice and beans.
