

Dr. Nick Cicortas DMD and Lifeway Dental of Boca take Dental Education to Next Level

Through magazine publications, Dr. Cicortas strives to help everyone understand oral health, not just his own patients.

BOCA RATON, FLORIDA, UNITED STATES, January 5, 2022

/EINPresswire.com/ -- [Lifeway Dental of Boca's](#) very own [Dr. Nick Cicortas](#) DMD is taking dental education to the next level, both in his local community and beyond.

Lifeway Dental is a renowned dental office located in sunny Boca Raton, Florida. The clinic supports clients' oral health through routine visits, simple cleanings, cosmetic dentistry, and emergency procedures – no matter how challenging each case may be. Lifeway Dental is operated in a state-of-the-art facility to provide the highest quality dental care available, while surpassing all OSHA and CDC standards.

While most dental clinics offer exceptional care to their patients, there are few that go above and beyond to help the local and global community on a larger scale. Dr. Nick Cicortas is one of these select few dental care specialists whose aim is to take dental education to the next level, even for those who are not his clients. More specifically, Dr. Cicortas writes regular articles for magazines about the importance

of oral health and how to achieve it.

Some of the topics Dr. Cicortas has discussed in his publications include:

- Whitening teeth
- Bad breath
- Fluoride
- And many more

"It's always been my belief that the mouth is the 'front door' to the body," says Dr. Cicortas. "When individuals understand how oral health and disease can impact more than just the mouth, this can lead to overall wellbeing and a more fulfilling life. As such, I will always continue to share critical information to anyone wanting to know more about dental education."

Dr. Cicortas also applies his skills and knowledge to provide care to underserved communities in Guatemala and Mexico, where he regularly travels as part of his commitment to community services that improve the lives of those who need it most.
