(YHSGR) associates are taking on the
200 Mile Cycle Challenge for St. Jude
Children's Research Hospital! 'YHSGR
Rides with Purpose' Team is on a
mission to raise \$20,000 in the month
of January 2022.

"Please support 'YHSGR Rides with Purpose' as I complete 200 miles and raise funds to help St. Jude Children's Research Hospital achieve their amazing mission. Finding cures. Saving children. Every donation, big or small, counts. Cheer me on in making a difference!" said Ocean Zhao, one of the YHSGR affiliates who is an active supporter of this fundraiser.

Families never receive a bill from St. Jude for treatment, travel, housing or food – because all a family should worry about is helping their child live. Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20% to more than 80% since it opened more than 50 years ago. St. Jude is working to drive the overall survival rate for childhood cancer to 90%, and we won't stop until no child dies from cancer. St. Jude freely shares the discoveries we make, and every child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children.

"I've completed 176.99 miles towards my goal of cycling 200 miles for this amazing organization. Treatments invented at St. Jude Children's Research Hospital® have helped push the overall childhood cancer survival rate from 20% to more than 80% since it opened more than 50 years ago. And we won't stop until no child dies from cancer." said David Delgado, YHSGR area team leader.
