

eTRANSERVICES Awarded FAA eFAST Contract

FREDERICKSBURG, VIRGINIA, UNITED STATES, January 6, 2022 /EINPresswire.com/ -- [eTRANSERVICES](#) today announced that it was awarded FAA's Electronic Federal Aviation Administration Accelerated and Simplified Tasks Master Ordering Agreement (FAA eFAST) on December 15, 2021.

This contract has a \$7.4B ceiling across 8 Functional Areas which provides a full spectrum of technical, engineering, scientific, administrative, and other professional services in support of the FAA and other departments under the Department of Transportation.

The FAA eFAST Contract is the FAA's preferred small business contracting vehicle for services. This vehicle allows long-term procurements for a broad array of professional and support services in an expedited, efficient, and effective manner to better serve the requirements of the FAA and, on a limited basis and when in the best interest of the Government, all other federal government agencies.

eFAST Functional Areas are support service categories used in eFAST acquisitions. eFAST MOA Holders offer services in the following functional areas:

- Air Transportation Support
- Business Administration & Management
- Research & Development
- Computer/Information Systems Development
- Computer Systems Support
- Documentation & Training
- Engineering Services
- Maintenance & Repair

At eTRANSERVICES, we strive to become the premier global provider of Systems Engineering & Integration, Information Technology, Information Assurance & Cybersecurity, Cloud, and Business Services.
