"This live stream experience is an extension of what we have strived to do with the Blind Frog Ranch Outpost. When we launched the store and the interactive tours that take people out to the actual Blind Frog Ranch (same ranch that the show Mystery at Blind Frog Ranch is based on and shot at), the response was tremendous," says Liz Valencia, Co-Founder of Blind Frog Ranch Outpost, "We wanted people to not only experience how beautiful and amazing the ranch is but also get to know who Duane and Chad Ollinger are as people." Liz continues, "So we put together the tours and the Outpost so people can come to beautiful Vernal, Utah and get their favorite Blind Frog Ranch souvenir. Take a tour and learn about the wonders of the area, the people, and the show!"

"It's amazing to see that people actually want to talk to us and know what we are all about. We just do what we do and there happens to be a TV Show about it," says Chad Ollinger, Son of Duane Ollinger and Star of Mystery at Blind Frog Ranch, "So as long as that is the case, I am grateful and happy to get to know people and share as much as I can. I'm really looking forward to what Discovery has in store for everyone with the second season and it's going to be a blast doing online live streaming recaps!"
