

Design Studio Creates Unique Logo for Local Crawfish Company

BlakSheep Creative, a Baton Rouge-based graphic design studio, has created a unique logo for Opie's Crawfish, a local crawfish company.

DENHAM SPRINGS, LA, UNITED STATES, January 6, 2022 /EINPresswire.com/ -- [BlakSheep Creative](#), a Baton Rouge-based graphic design studio, has created a unique logo for Opie's Crawfish, a local crawfish company.

The logo is a creative re-imagining and reworking of traditional crawfish iconography. By portraying the image in an almost cartoonish way, BlakSheep Creative was able to add a level of playfulness and fun to this rendering while still keeping it unique and easily recognizable.

Their goal was for this logo to add a sense of grandeur and swagger to the crawfish industry.

BlakSheep Creative thinks they were able to accomplish this with their unique logo design.

Opie's Crawfish, a Baton Rouge-based company, specializing in providing the best live and boiled crawfish to people all over Louisiana, has turned to BlakSheep Creative for help with branding and logos. After studying their company, products, and target audience, BlakSheep Creative created a logo depicting crawfish in an artistic/cartoonish way.

The logo is fun, unique, and easily recognizable. It also adds a sense of grandeur and swagger to the crawfish industry that Opie's Crawfish was looking for.

The logo is a creative re-imagining and reworking of traditional crawfish iconography.
