#### About Coinsbit India

Coinsbit India is a joint venture between Cryptic Coinsbit India and Prof-it Limited, intending to bring India's best crypto assets exchange platform. With its headquarters in Estonia, the popular crypto exchange platform has a reported user base of 5 million users and a monthly transaction volume of around \$50 billion-plus USD. Coinsbit.io was named the best 2018 crypto exchange at Asian Blockchain Life, 2019. Their strengths include well-timed order execution, local market insight, and multi-tier crypto asset security management, bringing a full suite of services.

Important Reminder: We advise all users to enable two-factor authentication for their Coinsbit India accounts for maximum security.

Disclaimer: Crypto assets are volatile, and investments in them are risky. We advise you to do thorough research before investing.
