[Autism Live](#), the [#1 rated Autism Podcast](#), has joined The [Autism Network](#). As part of The Autism Network, Autism Live plans to bring more content, more interviews, and more resources to individuals on the autism spectrum and the people who love them. Shannon Penrod, the host of Autism Live for over a decade will continue to be the main host. Says Penrod, “We are excited about this transition to The Autism Network. We’re looking forward to sharing more stories and helping to create an interactive space to hear from more people who are neurodivergent.” Autism Live will begin new programming on

[www.AutismNetwork.com](http://www.AutismNetwork.com) on January 10, 2022. Live shows will be available Monday-Friday at 1pm ET, 10am PT. All shows are available as a free download on all podcast platforms.

The Autism Network launched in November of 2021. At the center of its programming is Autism Live and Ask Dr. Doreen. Ask Dr. Doreen has been a staple on Autism Live, featuring autism expert, Dr. Doreen Granpeesheh. Dr. Doreen takes live questions from individuals around the world and provides insight into how to help individuals on the spectrum of autism to gain skills in order to live healthier, happier lives. Dr. Doreen Granpeesheh is a licensed clinical psychologist with over 40 years’ experience working in the field of autism. She is a behaviorist who is world renowned for her stance on treating individuals on the spectrum with respect and consideration of their individual wants and needs, both medical and personal. Ask Dr. Doreen can be seen LIVE on Tuesdays starting January 11th on [www.autismnetwork.com](http://www.autismnetwork.com) and is available as free

download wherever podcasts are available. Viewers can also pose questions for Dr. Granpeesheh on Tik Tok @askDrDoreen.

In 2022 The Autism Network will be adding additional programming including a new podcast, Stories From the Spectrum, which will be entirely content by and for neurodivergent individuals. Says Penrod, "I think when people see the level of talent we are amassing and the truly incredible things these individuals are bringing to the table, I think its going to be a game changer."
