

3D Hidden Object Challenge v1.0

DALLAS, TX, USA, January 18, 2022 /EINPresswire.com/ -- [Magnin & Associates](#) today introduces their new game, [3D Hidden Object Challenge](#), available on iPhone, Android,, Apple TV, Mac, Windows PC and Xbox.

Collect all of the hidden objects in each of 12 scenes. Scenes can be completed in any order. Each time you start a level it selects random assortment of items to find,.

Some scenes have multiples of the same object or pairs of objects which might be different colors.

Some scenes require you to find a tool to help uncover the hidden objects in that level.

Each scene also has a hidden coin. Collect all 12 to unlock the secret scene.

Easy to use camera and touch controls.

Optionally shares your accomplishments via email, or text messaging (iOS, Android, and PC).
