

The Patented FERGO Authentic Official Collegiate Dress returns with a fresh redesign for 2022

Custom Designer FERGO, original designer of the Authentic Official Collegiate Dress, prepares to debut their fully redesigned, reengineered Collegiate Dress.

DELRAY BEACH, FL, UNITED STATES, January 10, 2022 /EINPresswire.com/ -- [FERGO's Patented Authentic Official Collegiate Dress](#) is set to return with a full redesign. Some of the new features include new custom fittings, a redesign of the lower seam laces, a unique performance material that is usually specific to on-field jerseys, and updated graphics.

“Our Authentic Official Collegiate Dresses are inspired by the on-field uniforms worn by our greatest athletes,” says FERGO Founder/CEO and Chief Designer, McDonald Ferguson. “This new redesign is more than just something to catch your eye. It’s soft, comfortable, and made of the same high performance material as our on-field uniforms. It looks amazing. It’s fashion forward. It’s fresh. You can wear it to a sporting event, going out on the town, fashion forward events or even just relaxing. This new redesign is a truly unique piece and it is unmatched in comfort, durability, vibrance and fit.”
