LONDON, UNITED KINGDOM, January 10, 2022 /EINPresswire.com/ -- [Omdia](#) tech analysts select Innovation Award winners at [ShowStoppers](#) @ CES 2022

LONDON, 10 January 2022 – Analysts at global research leader Omdia, <https://omdia.tech.informa.com/>, today announced winners of the Omdia Innovation Awards at ShowStoppers® at CES, <https://www.showstoppers.com/>, the press event during the CES tradeshow in Las Vegas.

The analysts evaluated new consumer electronics and home entertainment, smart home and robotics, mobility, fitness and health, and productivity products introduced during ShowStoppers, which took place January 5, 2022, at the Wynn Hotel & Casino.

“We congratulate all the remarkable technology innovators who participated in the event,” said Paul Gagnon, Senior Director of Research for Consumer Electronics and ProAV at Omdia. “The level of innovation that we witnessed at ShowStoppers this year was extraordinary. It is always a tremendous challenge to pick the leaders in each category, but the winners demonstrated the highest level of vision and creativity with products that are in the market today and delivering benefits.”

About the awards
