“We try to cover every base when it comes to ensuring each of our business partners has complete trust in our company, our product, and our ability to deliver an amazing product at bulk prices,” Pham said. “We offer free samples, trial orders, and branding opportunities with logo and label service available. It’s great for corporate unity or to promote a brand.”

Even during a pandemic, DONY GARMENT, which is located in the heart of Ho Chi Minh City, Vietnam, is able to produce various kinds of garment products, such as work apparel for restaurants, offices, promotional events, institutions, sports, labor protection clothes, health care,

and more. Their excellent performance, quality certification, and sophisticated equipment have made DONY GARMENT become a leader from Vietnam to supply customized branded uniforms & workwear for worldwide companies.

DONY GARMENT factory utilizes sophisticated equipment, including 4 sewing lines, with different 60 sewing machines, and skillful craftsmanship. Their workshop has 4 silkscreen printing tables, 12 different embroidering machines, and 3 thermal transfer printers. Moreover, the DONY GARMENT factory is able to produce more than 100.000 products per month, including T-shirts, Shirts, Coat & Jacket, Cap & Hat, Apron, and High Visibility Clothing.

Besides producing uniforms and workwear for a company, DONY GARMENT also produces premium antibacterial cloth face masks that have been delivered to major countries in the world like the USA, Australia, UAE, Canada, KSA, New Zealand, Belgium, Malaysia, Kuwait, Oman, Japan, Singapore, and Bahrain.

The Dony [Premium Antibacterial Cloth Mask](#) is washable and reusable. It has certification from CE, FDA, and TUV Reach. It is made from a three-ply, water-resistant, and 99.9% antibacterial cloth, passing some of the most stringent standards in the world.

The mask's outer layer features strong water resistance, which prevents droplets from clinging to the mask and limits the potential for viral infection. The middle layer functions as a filter. The inner layer has the most anti-bacterial effects. It's a breathable design.

"Instead of being just a number on a sales page, we think of our customers as lifelong friends," Pham said. "Instead of thinking about the bottom line on each transaction, we're committed to building a lifelong relationship with each client. We work tirelessly to ensure that the best result is the outcome for each transaction."
