- [Aditxt Inc. \(NASDAQ CM: ADTX\)](#)

Aditxt has agreed to merge with AiPharma. Under the proposed transaction, AiPharma's shareholders will receive 44.7 million shares of Aditxt common stock and \$500,000 in cash. The investigation concerns whether Aditxt's board of directors oversaw an unfair process and ultimately agreed to an inadequate price.

- [Lawson Products, Inc. \(NASDAQ GS: LAWS\)](#)

Lawson has agreed to merge with LKCM Headwater's portfolio companies, TestEquity and Gexpro Services. Under the proposed transaction, LKCM Headwater will own 75% of Lawson common stock.

- [Skillsoft Corp. \(NYSE: SKIL\)](#)

Skillsoft has agreed to merge with Codecademy. Under the proposed transaction, Codecademy's shareholders will receive \$525 million, split approximately into 40% cash and 60% Skillsoft common stock.

- [Golden Path Acquisition Corporation \(NASDAQ: GPCO\)](#)

A registration statement was recently filed with the SEC regarding business combination agreement between Golden Path and MC Hologram. Upon completion of the merger, Golden Path will own less than 16% of the combined company.

Moore Kuehn is investigating whether the Boards of the above companies 1) acted to maximize shareholder value, 2) failed to disclose material information, and 3) conducted a fair process.
