NEW ORLEANS, LOUISIANA, UNITED STATES OF AMERICA, January 10, 2022 /EINPresswire.com/ -- After months of applicants sending in extremely well-written essays, [Raymond Reggie](#) has narrowed his selection down to 5 young men and women in Louisiana. Reggie, a marketing expert and philanthropist, launched his scholarship through Bold.org back in 2021 as a way to give back to students in his local area. The final selection will be announced by Raymond Reggie and Bold.org on March 1, 2022 - just in time for graduating high school students to get an exciting surprise right before going on Summer vacation.

Raymond Reggie chose to offer a scholarship in advertising and digital marketing after stating "In an increasingly virtual world, digital marketing continues to be a growing industry. According to the Bureau of Labor Statistics, the number of marketing professionals in the workforce is expected to grow by 6% between 2019-2029. That amounts to approximately 19,000 new jobs."

I'm so excited to be in a position to offer a scholarship to students right here in Louisiana!"
