About the International Aircraft Dealer Association

IADA's dealer organizations and individual brokers do business in more than 100 countries. They consist of the top seven percent of the world's aircraft dealers.

They utilize AircraftExchange.com, an online marketplace listing only aircraft offered exclusively for sale or lease by IADA members. All IADA dealers have been accredited by the organization, and brokers also receive certification, both through strenuous approval processes to ensure the utmost professionalism and integrity.

IADA members participate in a program of ongoing education to remain current on best practices and new developments in acquiring and selling business aircraft, as well as abiding by a strict code of ethics, integrity and transparency. IADA represents a variety of IADA verified product and aviation services that also operate with the highest professional standards in the industry.

IADA is a professional trade association formed more than 30 years ago, promoting the growth and public understanding of the aircraft resale industry. IADA now offers the world's only accreditation program for dealer organizations and the only certification program for individual brokers. The process delivers lofty standards of ethical business and transparency regarding aircraft transactions, leading to a more efficient and reliable marketplace. For more info go to www.iada.aero.

About AircraftExchange.com

A popular product of IADA is AircraftExchange, the only site where every aircraft listed for sale is represented by an accredited dealer. To earn accreditation, IADA dealers must meet our accreditation standards, receive sponsorship from current IADA Accredited Aircraft Dealers and undergo a formal review process. IADA Accredited Aircraft Dealers agree to adhere to a code of ethics that ensures fully transparent transactions between IADA dealers and aircraft buyers.

The AircraftExchange search portal enables organizations to create a confidential dashboard of business jets for sale, filtered based on their features and amenities, aircraft class, age, and price. Users can browse through data-rich listings for some of the most popular aircraft manufacturers, including Embraer, Cessna, Bombardier, and Gulfstream jets. For more info about AircraftExchange.com, go to www.AircraftExchange.com.
