“

Because we lean more toward sales, we knew that with the training and servicing We Insure provides, it would free up our time to focus on sales.”

“We recognized that we didn't have the time to recreate the wheel,” says Cory Kammerdiener. “Because we lean more toward sales, we knew that with the training and servicing We Insure provides, it would free up our time to focus on sales.”

Chris Pflueger, We Insure Chief Development Officer, adds: “For years, innovative real estate agencies have grown by adding support services to their sales offering, and now they have a viable way to add insurance through the We Insure franchise model.”

We Insure is undergoing a rapid national expansion for its innovative franchise insurance offering. The company, based in Jacksonville, Fla., was the brainchild of a former captive agent with a mission to take on the insurance industry's biggest challenges. Philip Visali, We Insure
