

# Islands Community Medical Services partners with BlueStar to deliver Remote Patient Monitoring

*Islands Community to provide remote patient monitoring services through a partnership with BlueStar TeleHealth*

ROCKVILLE, MD, UNITED STATES, January 12, 2022 /EINPresswire.com/ -- Covid-19 has led to [remote patient monitoring](#) (RPM) becoming far more popular for patients, providers, and nurses. Islands Community wanted to better serve their patients by offering RPM and has chosen to outsource some of that work to [BlueStar](#). BlueStar will help Islands Community offer RPM quickly and effectively without burdening its existing staff.

"Community. Compassion.

Collaboration. Care. These are the words that come to mind when I think of ICMS. ICMS has served Vinalhaven for 70 years - and our doors remain open to residents, vacationers and visitors, alike." – Cameron Garrett, ICMS Executive Director

“

We are honored to work with Islands Community team to deliver better care to patients in their home”

*Admiral Robert Wray (Ret)*

BlueStar’s CEO, retired Admiral Robert Wray, said, “We are honored to work with Islands Community team to deliver better care to patients in their home.”

Islands Community’s medical professionals recently began offering remote patient monitoring (RPM) to their patients and believe they will benefit from BlueStar’s turnkey service and support allowing their medical professionals to

maintain their focus on providing excellent healthcare to patients.

## About BlueStar [TeleHealth](#)

BlueStar provides telehealth services to help clinical caregivers connect with their remote patients. In business since 2013, BlueStar now serves thousands of families across all 50 states.
