Cartilage Repair Market

“

Cartilage Repair Market by Modality (Chondroplasty & Microfracture, Autologous Chondrocyte Implantation, Osteochondral Allograft & Juvenile Allograft Fragments), Type (Hyaline Cartilage)”

Allied Market Research

The cartilage repair market is anticipated to grow considerably in the near future, owing to different factors such as increase in obesity & sedentary lifestyle among the population, rise in elderly population, and upsurge in prevalence of arthritis globally. However, high costs associated with cartilage repair procedures and unclear regulatory scenario are the key factors that are expected to impede the market growth. On the contrary, the emerging markets such as India and China are anticipated to provide lucrative growth opportunities to the market players during the forecast period.
