

Read This for Explosive Results in Selling to the Healthcare Industry

Learn to Speak the Three Languages of Healthcare

HEATHROW, FLORIDA, USA, January 12, 2022 /EINPresswire.com/ -- Healthcare is experiencing a seismic shift in all areas of operations, creating a challenging environment for those companies seeking to gain access to or expanding their footprint in this unique market. When an entire industry is fighting the same forces, some companies do a better job of navigating through those challenges than others; and they do it under the expertise of Philders Group International Inc. Experts at Philders Group International supercharge sales and impact bottom lines, some as much as 20%. For those seriously on a quest to empower their salesforce and make the competition irrelevant, AMP- Building the Clinical Bridge™ is a power packed process that will guide you step by step on the opportunities so they can be cross threaded to your book of business for profit.

Marlene Linders CEO

AMP- Building The Clinical Bridge™ executive program is designed to focus on your business and sales goals to avoid the healthcare convoluted highways that sidetrack you to your target and devour time and resources. We build key strategies and specific methodologies while teaching your team the three languages of healthcare and reducing downtime. Our process is crafted to:

- Architect a business strategy
- Create TOMA or top of mind awareness
- Build a profit center that is continuously refilling itself

Philders Group International has worked with several corporate entities to overcome industry obstacles and barriers. We assist our clients to build a sustainable corporate culture which promotes accountability, fosters innovation, and consistently delivers the best quality outcomes.

Making this transformation is not a single step, but an overarching strategy. The result is striking improvements in outcomes and efficiency, as well as growth in market share. By utilizing our four processes customized for our clients, AMP-Building The Clinical Bridge™, your healthcare footprint expands because we assist you to align goals, actions and processes, and execute quickly. Our clients capture a strategy of pre-eminence.

Through the continuous cycle, companies will build sustainable strategies, critical messages, and a position for success. This framework creates the foundation that enables transformation. For more information or to contact Philders Group International [click here](#).

About Philders Group, International Inc., (<http://www.phildersgroup.net/>) is a healthcare consulting/business optimization firm which serves the healthcare building and technology industries, focusing on two key areas of reducing risk and managing liability for infection control, as well as forecasting future profit areas for clients who want to increase their footprint in the US medical market. Headquartered in Heathrow, Florida, Philders Group provides specialized services to a global clientele, including online compliance training and infectious disease control investigation, counsel and testimony. The company is internationally recognized for its educational component, The Linders Health Institute. 844-438-4272x1
