

California US Navy Veterans Mesothelioma Advocate Urges a Navy Veteran with Mesothelioma in California to Focus in On Better Compensation and to Call Attorney Erik Karst of Karst von Oiste for Top Results

SAN DIEGO , CALIFORNIA , USA, March 1, 2022 /EINPresswire.com/ -- The California US Navy Veterans Mesothelioma Advocate is urging a Navy Veteran who has just been diagnosed with mesothelioma in California or their family members to focus in on compensation and call attorney Erik Karst of Karst von Oiste at 800-714-0303 for a no obligation analysis of what their compensation claim might be worth along with specifics of how the process works. Mesothelioma compensation is based on the specifics of how a person with this rare cancer was exposed to asbestos. Financial compensation for a Navy Veteran with mesothelioma might exceed a million dollars.

The Advocate says, "We have been assisting Navy Veterans with mesothelioma for nearly two decades and the biggest mistake they make is not trying to recall as much as possible about the specifics of how, where and when they were exposed to asbestos. Some Internet ads make it sound like- 'all you have to do-is fill out a card' and the checks will start rolling in. Advertising like this is

dishonest.

If your loved one is a Navy Veteran, and he has just been diagnosed with mesothelioma please call attorney Erik Karst of Karst von Oiste at 800-714-0303 to discuss compensation-it might be millions."
