

Purchasers Of John Deere Repair & Maintenance Services Encouraged To Contact Kehoe Law Firm, P.C.

PHILADELPHIA, PA, USA, January 13, 2022 /EINPresswire.com/ -- Kehoe Law Firm, P.C. is investigating whether Deere & Co. (d/b/a [John Deere](#)) has improperly monopolized the [repair service](#) market for John Deere-branded agricultural equipment.

The investigation primarily focuses on whether John Deere deliberately makes crucial software and repair tools inaccessible to farmers and independent repair shops, causing farmers to rely exclusively on an authorized John Deere technician and its network of independent dealerships to repair, maintain, or clear fault codes from John Deere machines.
