Dr. Phelps, who also has a [YouTube Channel](#) featuring financial freedom videos for practice professionals, and a free book (<https://www.freedomfounders.com/freebookgiveaway>), revealed during the web class how inflation is threatening to devour individuals' nest eggs and how to protect themselves and their future.

Dr. Phelps also explained why now is the most dangerous time to invest because the current "mania phase" of the market and the looming major correction.

But that's not all. Attendees of the web class discovered how the Fed and other government entities have been manipulating the current market highs and what happens when it ends; Historical perspective of navigating periods of high inflation and market cycles, and strategies to preserve their investment capital while still getting predictable returns.

Dr. Phelps noted that the web class dove deep into positioning and preparing using strategies to protect wealth while simultaneously positioning for the Great Wealth Transfer. Dr. Phelps also equipped attendees with instant access to the 7-Module "Alternative Investing 101" Training

Course, as well as additional bonuses.
