

Beyond Science – Future of Biotech & Healthcare: Harnessing inventive approaches -Invest Nest Webinar by Kalkine Media

Get a chance to know more about three of Kalkine Media's valued clients - PainChek Limited, Prescient Therapeutics & Holista Colltech.

SYDNEY, AUSTRALIA, January 16, 2022

[/EINPresswire.com/](https://www.einpresswire.com/) -- With the advent of a pandemic, innovations in the field of medical [healthcare](#) and biotechnology have gained

momentum. The need of the hour and a strong dependence on the medical system pushed these sectors to a new high. The biggest benefactors of the recent rally are the healthcare technology and wellness solution

related players, who have been involved in exploring, developing, and operating such beneficial projects.

Get a chance to know more about three of Kalkine Media's valued clients - PainChek Limited, Prescient Therapeutics & Holista Colltech. Get insights from the CEO & Managing Director of PainChek Limited Mr. Philip Daffas, CEO & Managing Director of Prescient Therapeutics Mr. Steven Yatomi-Clarke, and Executive Chairman, MD & CEO of Holista Colltech Dr Rajen M.

PainChek[®] Limited (ASX:PCK) is an ASX-listed smart phone-based pain assessment and monitoring application developer. With the combination of the PainChek[®] App with the Numerical Rating Scale (NRS), the firm enables best-practice pain assessment for its customers. The PainChek[®] App is the world's first clinically proven digital pain assessment tool. It automates the pain assessment process using Artificial Intelligence, facial recognition, and smartphone technology.

Prescient Therapeutics Limited (ASX:PTX) is a leading clinical-stage oncology firm focused on the development of revolutionary personalised therapies for challenging cancers having unmet medical need. Prescient's key programs include universal CAR-T and targeted therapies seeking

The graphic is a blue rectangular banner with white text and images. At the top left is the Kalkine Media logo. Below it, the text reads 'Invest Nest Webinar Series'.
