

Colleges, Universities, And Professional Schools Widen Their Reach By Setting Up Multi-National Campuses

The Business Research Company's Colleges, Universities, And Professional Schools Global Market Report 2022 – Market Size, Trends, And Global Forecast 2022-2026

LONDON, GREATER LONDON, UK, January 14, 2022 /EINPresswire.com/ --

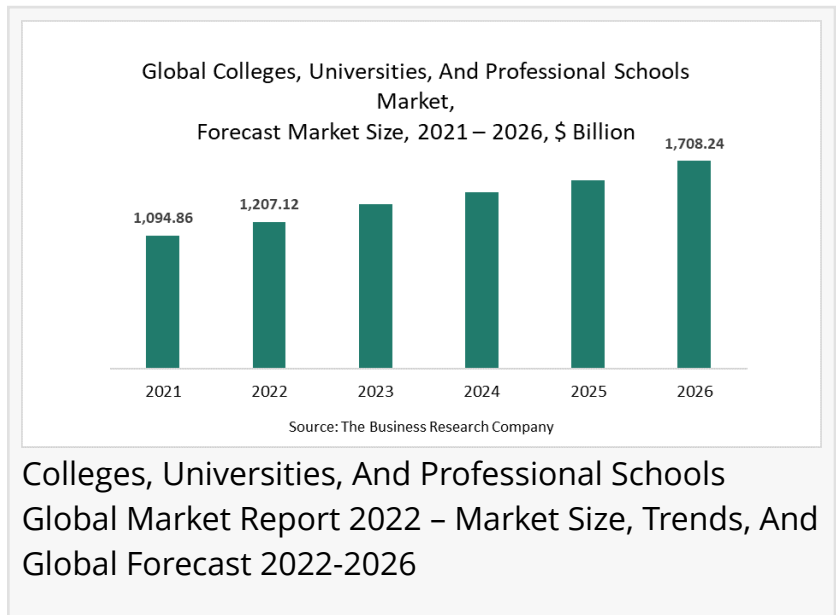

The [colleges, universities, and professional schools market](#) consists of the revenues of colleges, universities, and professional schools services and related goods by entities (organizations, sole traders and partnerships) that provide academic

courses and grant degrees at baccalaureate or graduate levels. The entities include colleges, theological seminaries offering baccalaureate or graduate degrees, military academies at college level, universities and professional schools (e.g., business administration, dental, law, medical).

The global colleges, universities, and professional schools market size is expected to grow from \$1094.86 billion in 2021 to \$1207.12 billion in 2022 at a compound annual growth rate (CAGR) of 10.3%. The growth in the market is mainly due to the companies rearranging their operations and recovering from the COVID-19 impact. The global colleges, universities, and professional schools market share is expected to reach \$1708.24 billion in 2026 at a CAGR of 9.1%.
