

People around the world are struggling with depression and anxiety more than ever before-One website provides a new tool

Om-Heals.com launches their proprietary custom-matching platform, which assesses a person's healing needs and matches them with their ideal energy practitioner

LOS ANGELES, CA, UNITED STATES, January 13, 2022 /EINPresswire.com/ -- In late 2021, [Om-heals.com](https://www.om-heals.com) launched their online matching platform. Using data that the User provides, Om-heals.com uses an in-house algorithm to custom match the User with an energy practitioner who can support them with their anxiety, depression and other related emotions.

How does it work?

A User answers 29 questions, which Om-heals.com uses to match them with their ideal energy practitioner. Within 24 hours, the User is emailed their personalized matches, and can select one, none or all three of the practitioners to begin their healing journey.

The matching service is currently free and simple to use.
