

# Tiffany James is the Black, Female, Entrepreneur Helping Young Women Make Millions

NEW YORK CITY, NEW YORK, UNITED STATES, January 13, 2022 /EINPresswire.com/ -- Female, black, and

under 30-years-old, Tiffany James, is a financial literacy coach, entrepreneur, and self-made millionaire who, in the last year, has guided thousands of women of color to help earn over 3.5 million dollars in the stock market.

“

Only 3% of Black women are represented in the stock market. Once I learned this, I immediately knew it was my calling to educate and mobilize Black women on getting into the space.”

Just recently celebrating their one year anniversary, James started [Modern BLK Girl](#) as a wealth-building community and has since been paving the way for young black women to learn the ins and outs of the stock market while attaining financial knowledge, freedom, and stability. In only one year, James and the team at Modern BLK Girl have grown their community to over 150,000 members, helped thousands of women earn millions in the stock market, and are offering a free [Teen University program](#) that teaches teens about financial literacy.

"Only 3% of Black women are represented in the stock market. Once I learned this, I immediately knew it was my calling to educate and mobilize Black women on getting into space." said James.

James is an inspiration to women, and more specifically, women of color, using her self-taught methods to guide and mentor women of all ages on how to navigate the stock market. Within two years, James turned her own \$10,000 investment in the market into over one million dollars and is rising up to help others do the same.
