The experienced team is also able to offer various types of haircuts for men and women as well as all hair color services such as balayage, hair painting, gray blending, and highlights.

Our apprentice class is a great opportunity to get a new haircut or hair coloring by one of our apprentices and overseen by master instructors, and they are looking for hair models with all hair types, including straight, wavy, and curly hair. The best part is that hair models will pay a special rate below the usual price for the service.
