

# Modz & Bodz Now Shooting For LFC Network

*Lingerie Fighting Championships Partners  
With Miles Long For High Octane Car  
Show*

LAS VEGAS, NEVADA, USA, January 14, 2022 /EINPresswire.com/ -- [Lingerie Fighting Championships](https://www.lingeriefightingchampionships.com/), Inc. ("LFC") (OTC Pink:BOTY) announced today that they have partnered with celebrity mechanic and host [Miles Long](https://www.mileslong.com/)® to produce a unique car show called Modz and Bodz that will air on [LFC Network](https://www.lfcnetwork.com/), the company's Roku Channel.

A car show with a twist

"We're very excited to have Miles involved in the network," LFC CEO Shaun Donnelly says. "He brings a great deal of passion to every project he's involved in and is known for producing outstanding content."

“

It will be an epic ride, especially with the Modz projects we have planned, and the Bodz that will be there to help!"

*Miles Long*

The pair met this past summer in Sturgis where Long was quick to lend a hand at the league's back-to-back-to-back events at the legendary Sturgis Motorcycle Rally. That led to Long joining the crew as a camera operator and offering his considerable photography talents to the LFC's 4th annual calendar.

"It was an absolute pleasure to be able to work with the LFC," Long says. "It's a perfect fit for me, not only because of my extensive background in Martial Arts personally, but also because of my experience shooting MMA and Wrestling events."

Modz & Bodz promises to be a car show with a twist. As the show's host, Long will walk viewers through the installation of parts and tuning on a variety of sexy vehicles (modz) joined each episode by an even sexier guest (bodz). Long and his famous friends will work on cars together, cracking jokes and having fun, followed by a drive in the finished car and a sexy photoshoot for good measure.

"Everyone who knows Miles knows his love of beautiful women is matched only by his love of fast cars and fast bikes," Donnelly says. "So I can't think of anyone better suited to create a show that combines the two."

When completed Modz & Bodz will air alongside other LFC Network original series such as Get Wet (talk show), LFC: Exposed! (reality series) and Beauty, Strength & Dominance (podcast).

"Doing a car show has been a goal of mine for a while, and it makes it even more special that I am able to do it for LFC Network, and share both my passions and sense of humor with all the fans. It will be an epic ride, especially with the Modz projects we have planned, and the Bodz that will be there to help!"

To install LFC Network on your Roku device or TV go to the Roku Channel store and search LFC Network or go to:

#### Forward Looking Statements

This release contains certain "forward-looking statements" relating to the business of the Company. These forward-looking statements are often identified by the use of forward-looking terminology such as "believes," "expects," "anticipates" or similar expressions. Such forward looking statements involve known and unknown risks and uncertainties that may cause actual results to be materially different from those described herein as anticipated, believed, estimated or expected. Investors should not place undue reliance on these forward-looking statements, which speak only as of the date of this press release. The Company's actual results could differ materially from those anticipated in these forward-looking statements as a result of a variety of factors, including the Company's ability to deliver the content as described in this press release, to generate revenue from the agreement described in this press release and to enter into distribution agreements with cable and satellite systems with sufficient viewership to generate revenue from the program.

The public filings of LFC may be accessed at the SEC's Edgar system at [www.sec.gov](http://www.sec.gov). Statements herein are as of the date of this press release and should not be relied upon as of any subsequent date. LFC cautions readers not to place reliance on such statements. Unless otherwise required by applicable law, LFC does not undertake, and LFC specifically disclaims any obligation, to update any forward-looking statements to reflect occurrences, developments, unanticipated events or circumstances after the date of such statement.
