SINGAPORE, January 14, 2022

/EINPresswire.com/ -- The leading

digital asset and cryptocurrency

trading platform [MEXC Global](#), has

teamed up with [Alchemy Pay](#) (ACH), a

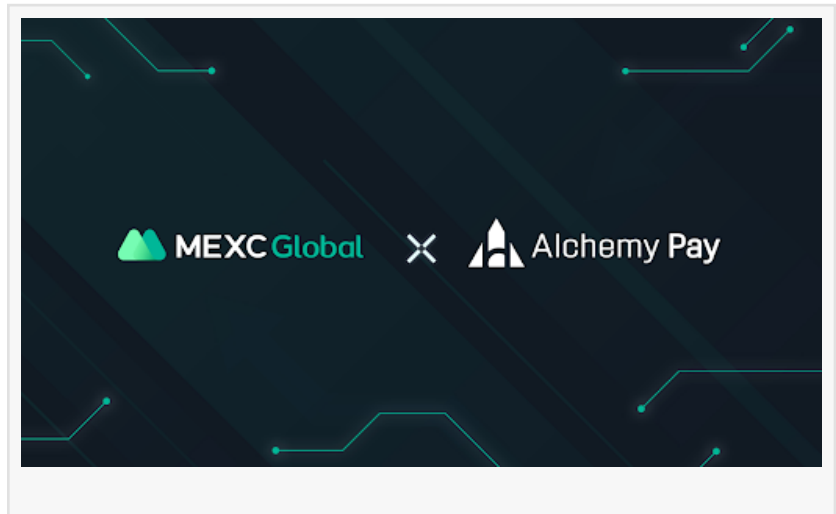

leading fiat-crypto payment gateway

provider, to provide users in Japan,

Korea, and Indonesia a variety of pay-in and pay-out options. The cooperation will allow

Indonesian customers to withdraw money to bank accounts and deposit funds using Visa and

Mastercard in Japan and Korea.

Indonesia has become one of the fastest-growing markets for MEXC Global. With the cooperation, local users now have opportunities to experience compelling crypto-fiat payment services. Alchemy Pay's local fiat payment channels include virtual account payments, which allow customers to deposit funds into their MEXC's account through bank transfer, in addition to withdrawals to banks. The mobile wallets GoPay, OVO, Dana, LinkAja, ShopeePay, and BCA Mobile can now also be utilized.

Alchemy Pay specializes in offering on-ramps and off-ramps for smooth transfer between crypto and fiat currencies and has grown in prominence in the crypto field as a bridge service for the industry. Alchemy Pay's CEO, John Tan commented, "We are now gaining a real foothold in Japan and Korea, as well as adding to our operational services in Indonesia. Our crypto payment network in these markets will continue to expand from here, as will the services we can offer to MEXC Global and to many other partners."

MEXC Global's CMO, Antonio Wu said of the partnership, "Our expansion in Asia is now faster than ever, and we're happy to have Alchemy Pay and more reliable partners help us offer

seamless user experience in the local market.” This integration will provide fiat on-ramps and off-ramps that will significantly reduce barriers for MEXC’s users to be an active part in our community.

Today, with more than 7 million active users across the world, MEXC Global is empowering an increasing number of people to get involved in the crypto-verse. The platform will continue to work with partners like Alchemy Pay to bring user experience to the next level, and help people open up new ways to link communities and create more value.
