Through her music, business endeavors, and via her much-lauded book [HUMAN](#), Vanessa is achieving her goal of inspiring by example and offering up words of wisdom, on how to achieve what we wish to achieve.

This is not mere lip service Vanessa, has overcome a myriad of personal tragedies and seemingly insurmountable obstacles on her way to achieving her success and being a positive voice for others.

“To me, being human is about standing tall when our truth, our voice, is challenged,” says Vanessa. “It is all about putting all different pieces of ourselves together so they can co-exist inside of you. What we uncover and discover about ourselves leads us further to our truth and authenticity. “
