HOUSTON, TEXAS, UNITED STATES, January 14, 2022 /EINPresswire.com/ -- Award-winning Next Level Urgent Medical, LLC has reshaped healthcare delivery and expanded its reach across communities throughout the greater Houston and surrounding areas with its successful approach – now opening its new Magnolia clinic.

[Next Level Urgent Care](#) Magnolia is located at 9511 FM 1488, Suite 1100 and offers [urgent care](#) services from 9 a.m. to 9 p.m. seven days a week.

The new clinic provides the community with safe and accessible healthcare services without leaving the neighborhood. Services include COVID-19 testing, occupational and work injury care, and treatment of acute illnesses.

According to Next Level Urgent Care (NLUC) founder and CEO, Juliet Breeze, MD, the continued growth of Next Level Urgent Care into surrounding communities is a sign of changing healthcare needs.

“Our goal is to meet people where they are, without compromising quality. There has been a growing demand for quality, affordable healthcare – and now for safe, ‘close to home’ options as the COVID-19 pandemic continues to keep many from seeking the ongoing care they need,” said Breeze.
