

HOW TO INCORPORATE A COMPANY IN PANAMA

Incorporating a company in Panama is very simple and can be useful to facilitate local or foreign operations and investment processes.

PANAMA, PANAMA, January 17, 2022 /EINPresswire.com/ -- In a new post in Focus by Alcogal,

An important issue to consider if you wish is the tax treatment given to the company in the applicable jurisdictions.”

CRISTINA DE ALBA

Cristina de Alba developed a full checklist on the necessary steps to incorporate a [company](#) in Panama. Providing a detailed list of each relevant aspect to take into account in the process.

From the general requirements to all you need to know about additional formalities and taxes; the article provides an insightful and expert view on everything required by Panamanian law in a simple way that is easy to understand

for anyone looking forward to investing in the country.

“If you wish to incorporate a company in Panama to do business or to have investments in jurisdictions other than Panama, an important issue to consider when choosing between one or the other type of company is the tax treatment given to the company in the applicable jurisdictions.”, says Cristina from Alcogal.

As the world focuses its efforts on economic recovery after two years of the COVID-19 pandemic, the possibility of expanding operations and investments in other countries may be the determining factor in accelerating the path to success for corporations and individuals in all countries, industries and sectors. Helping them achieve their growth and development goals in 2022.

“The creation of a company involves multiple steps. However, with the proper advice of a professional law firm, incorporating your company in Panama is a simple and expeditious process.”
