DALLAS, TEXAS, UNITED STATES, January 16, 2022 /EINPresswire.com/ -- [Fashion Furniture](#), the leading provider of furniture rental for California, recently opened a new location in Dallas to accommodate the influx in people and companies relocating to Texas.

“The decision to expand our presence into the Dallas area was a logical step in our business growth strategy,” said Kenny Cox, president. “With Dallas

being a popular relocation area and Texas gaining over 500,000 new residents a year, we believe we can help. We understand how stressful moving can be, especially to a new place, and offer flexible furniture solutions by piece or package. When you rent furniture from Fashion, your new place will feel like home within 48 hours. Whether you need furniture for 1 month or 24 months (or any timeframe in-between) Fashion is the solution for you.”

“

Customer Service stands out. Everything we wanted for a decent price delivered on time and nearly painless. The set-up in our apartment was totally unexpected and so welcome.”
