Shincheonji's prior seminar series entitled 'God's New Covenant Revelation Prophecy and Fulfillment', has already drawn millions of views via YouTube since it began in October 2021. Thanks to this series success, thus far, approximately 700 churches worldwide have reportedly requested further doctrinal exchanges with Shincheonji as they seek deeper content.

In a recent report in December 2021 from Pew Research Center's National Public Opinion Reference Surveys, 3 out of 10 adults in the United States are now religiously unaffiliated. Protestant denominations are the most affected by a decrease in congregants, with a steady decrease from 52% in 2007 to 40% in 2021. <https://www.pewforum.org/2021/12/14/about-three-in-ten-u-s-adults-are-now-religiously-unaffiliated/>

This trend is also reflected by another investigation from Lifeway Research in Nashville that says most Americans consider Jesus as a historical fact, but have no biblical knowledge about why he came. According to the report, only 9% knew that Jesus' mission was to give open words (fulfillment) of the Old Testament. <https://blog.lifeway.com/newsroom/2021/12/08/christmas-celebrates-a-historical-event-americans-say/>

On the other side of the globe, an increasing number of people are affiliated with religion. Contrary to the decrease in traditional denominations, since 2019 over 140,000 people have joined Shincheonji Church of Jesus after receiving Shincheonji Biblical education courses.
