

# Healing Bottoms Releases Natural Suppository Treatment for Bleeding Fissures

CHICAGO, UNITED STATES, January 18, 2022 /EINPresswire.com/ -- A new suppository for Fissures, IBS and IBD patients has now become a popular at home fix. Healing bottoms has taken consumers away from the ER to treat their digestive tract with a First-Aid Suppository in the privacy of their home. It appears the suppositories are All-Natural yet more effective than any other [Fissure](#) medication available on the market. The pull for many of their clients are speedy results minus the side effects.

Healing Bottoms Suppository Formula uses their homeopathic heat/ cool preparation of medicinal attributes of Turmeric to transform the health of their patients. As a result, Medical Practitioners have jumped on board to recommend HB's treatment for chronic [bleeding](#) fissure, proctitis inflammatory diseases like Colitis and more. Patients are reporting healthier colons, healed Fissures, and reduced rates of [inflammation](#). Since prescriptions are not required, it makes Affiliate Doctors and online shopping the easiest choice for consumers.

By following the recommended dosage Healing Bottoms Suppositories treat rectal Bleeding Fissures, aid in Killing Threatening Bacteria, Ease Discomfort/Inflammation, Restore Rectal Canal Tissue with 48 hours to a week. Other
