“This is the perfect partnership to discover amazing indie novelists,” Tori Spelling said. “I'm excited to take some great novels and transition them into projects for TV and streaming platforms.”

MindStir Media editors and the CEO, J.J. Hebert, will choose

which of the company's books are presented to Tori Spelling. There is no cost to be considered by Tori Spelling; authors just need to be published through the MindStir Media brand.

“MindStir Media books with solid sales and strong mass appeal will be presented to Tori for consideration,” said Hebert. “This is another way that we've leveled the playing field for indie authors who otherwise would never have been able to reach someone of Tori Spelling's caliber with their content.”

MindStir Media also disrupted the publishing industry last year when the company began connecting celebrities with indie authors to help promote books. Authors can use MindStir Media to attach celebrities such as Tori Spelling, Shark Tank's Kevin Harrington and Mariel Hemingway to their books through video endorsements.
