

# Barrett Solar Offers Residential and Commercial Solar Installation

---

KANSAS CITY, MO, UNITED STATES, January 17, 2022 /EINPresswire.com/ -- [Barrett Solar](#) is pleased to announce they offer residential and commercial solar installation to help their customers save money on their energy bills. The professional team helps customers build the ideal solar panel system to meet their needs and ensures dependable installation for many years of use.

At Barrett Solar, they believe everyone deserves a solar panel system they can rely on to supply the power they need in their daily lives. Their team can help customers qualify for [solar rebates](#) and more to ensure they can get the low-cost installation they need to make solar power more affordable than ever. The cost of solar panels has declined in recent years, while the cost of energy from the utility company has increased, making now the ideal time to install a solar panel system for a home or business.

Some customers at Barrett Solar may qualify for no-money down installation, giving them the advantage of installing a functional solar panel system without paying anything upfront. The team at the [solar company](#) works closely with their customers to determine if they are eligible for this program or other rebates to make the cost of solar as affordable as possible.

Anyone interested in learning about residential and commercial solar installation can find out more by visiting the Barrett Solar website or by calling 1-815-584-4758.

About Barrett Solar: Barrett Solar is a full-service solar company providing residential and commercial solar services to customers throughout the Kansas City area. Their team provides dependable installation with customized solar solutions to meet each customer's needs. They even help their customers find the best rebates and programs to make solar panels more affordable.
