“

We are grateful for our customers who have come to us for their glass design and fabrication needs. All of us at UltraGlas thank you for your many years of continued support.”

*Jane Skeeter, Founder and  
CEO of UltraGlas*

Stock up and save!

Glass and glazing companies, upscale contractors, developers, commercial and residential professional property owners, investors, construction industry, architects, interior designers.

Everything must go!

Save on doors, walls, windows, gates, screens, flooring, treads, railing and showers, office and shop furniture, fixtures, IT, machinery, tools, trade show and showroom

displays and MORE!

Equipment available:

- Complete lamination line: European Smart-blanket horizontal tray system. Eliminates individual glass envelopes. Vacuum system and natural gas. Refrigerated and de-humidified laminate film roll storage. Hover tray transport, all practically new!
- Large compressors and tanks

- Hoists
- Automated graphic and laminate film-cutting table
- Complete molded/slumped/cast glass-making line. Speedy production, custom, and proprietary natural gas glass slumping/molding kilns. Includes IP, technology and processes, molds, stock designs, art, marketing materials, and samples. Offers extraordinary competitive industry cost and time-saving advantages!

Get the lowest prices on a wide assortment of glass inventory:

Finished • Raw • Molded • Cast • Slumped • Tempered • Annealed • Colored • Clear • Low Iron Specialty • Decorative

Come prepared!
