“

My imagination’s got a hold on me...”

*Emilia Vaughn*

“Pieces and Pages” was written by Emilia Vaughn, co-written by Gabby Neeley, and produced by Robbie Dean and Thomas Barsoe for OC Hit. The album artwork was creatively directed and photographed by Chlo Subia, with art design support and additional promotional assets curated by Dani Thompson, Anika Perera, Lauren Halferty,

and Joelle Cary for DNT Entertainment.

The lyrics are emotionally driven and take you on a rollercoaster of love, anxiety, self-discovery and inspiration. The mid-tempo dreamlike melody develops into an energizing, motivational anthem most understood by young dreamers who will stop at nothing to achieve their goals. “Pieces and Pages” will resonate with all career driven individuals on the road to realizing their full potential.

“Since I was a little girl, the one thing I have always been certain of is my career in music. In my perfect world, I am creating music and living freely and openly in my imagination, innovating and spending my time in a city full of ideas and experiences to write about. ‘Pieces and Pages’ was

partially written while I was spending time in New York City, inspired by the rich tapestry of sounds and melodies. There was such a liveliness to my inner self and my writing that I had never felt. Music is something that will always come first for me, before anyone or anything.” - Emilia Vaughn

“Pieces and Pages” will be accompanied by a self-curated visual montage that Emilia produced during her trip to New York City in 2021, and will premiere on her official YouTube channel on January 21, 2022. Emilia’s 5-song releases feature a variety of insects to introduce her art. Look for the spider in this single.
