

Zelgor Games Announces a New Funding Round on Crowdfunding Platform StartEngine

Zelgor Welcomes Retail and Accredited Investors to Invest Alongside Their High Profile Investor Team, Including Tim Draper, Shawn Fanning, and Many More.

BOSTON, MA, UNITED STATES, January 19, 2022 /EINPresswire.com/ -- [Zelgor Games](#), an interactive entertainment and game studio, announced the launch of its latest Equity Crowdfunding Campaign on [StartEngine](#). Purchasing of Zelgor shares will be able to retail and accredited investors throughout the world.

Invest in Zelgor Games

Zelgor backers include the famous venture capitalist Tim Draper, the co-creator of Guitar Hero, the founders of napster, along with 1,400+ additional investors from their past two crowdfunding campaigns.

Zelgor's StartEngine announcement comes after accomplishing several successful milestones, including:

- Completed a \$500,000+ Crowdfunding Campaign on [NetCapital](#), with over 1,400+ investors.
- Noobs in Space India Stability Test obtained 10,000+ downloads in a span of ten days.
- Winner of the Founders Live Prime Time pitch competition.

"We want supporting the Noobs to be available to as many people as possible," says John Fanning Jr., Founder and CEO of Zelgor. "We're fortunate enough to have over 1,400 people who have stepped up to back the Noobs so far, and we're excited to open up that opportunity to a brand new community."

Zelgor is looking to use their ridiculous alien characters, called Noobs, to invade the universe of mobile games and beyond. Video games have eclipsed TV and streaming as the most profitable sector of digital entertainment. Mobile games are the most prominent and fastest-growing sector of video games. Newzoo forecasts the mobile gaming market will generate \$90.7 billion in

consumer spending.

Funds received through this crowdfunding campaign will be used to launch their first game title, Noobs in Space, continue the development of their second title NoobTubes, and expand their development team.
