Unlock the Power of Hybrid Work 365 to Unleash the Benefits of Both Remote Work

Forrester predicts that 70% of US and European companies will pivot to a hybrid work model post-pandemic. According to the latest survey by Owl Labs, 81% of those surveyed believe their employer will continue to support remote work after COVID-19. Mercer, an HR and workplace benefits consulting firm, surveyed 800 employers. 94% of these employers stated the work productivity was the same or higher since employees started working from home.

“

With the eZ-XPO Hybrid Work 365 solution, every organization can transform its workforce environment to offer employees more flexibility to get things done for remote work and hybrid events.”

Matt Fok, CEO & Founder, eZ-XPO

eZ-XPO – Hybrid Work 365 consists of all the key features for all employees, partners, and customers to engage and collaborate for all both hybrid work and event needs:

1. eZ-XPO – Virtual Office Network 365 – empowers all employees, partners, and customers to connect and engage with live group chat, text chat, and video chat.

Visitors can check in, leave a message and book a meeting virtually anytime.

2. eZ-XPO – Virtual Hybrid Event Network 365 – host hybrid or virtual events (i.e., virtual summit/conference, trade show, training) with all partners and customers. With the eZ-XPO personalization engine, Attendees can easily connect and engage with exhibitors in a virtual booth through live chat (text chat or video) chat. Exhibitors and sponsors can gain marketing analytics and insights on attendees and content. The platform also integrates with CRM (Customer Relationship Management) vendors such as Salesforce, HubSpot, Mailchimp, and much more and can feed hot leads directly to the exhibitor.

3. eZ-XPO – Virtual Intelligence Network 365 – create a new "Amazon Alexa" or "IBM Watson" by connecting all subject-matter experts, employees, partners, and customers to share insights and knowledge with AI Chatbot. The AI Chatbot can relearn and retrain subject matter topics 24/7.

"eZ-XPO's vision to connect all stakeholders virtually anytime anywhere has been our core strategy way before the COVID-19 pandemic. With the eZ-XPO Hybrid Work solution, every organization can transform its workforce environment to offer employees more flexibility to get things done for remote work and hybrid events.

The ultimate benefits are tremendous because it can close out all silos of internal and external organizations to nurture daily collaborative opportunities. Finally, not only can we keep everyone SAFE, and also boost bottom line higher ROI with less costs and time, help save the planet from reducing carbon footprint," said Matt Fok, CEO and Founder of eZ-XPO.
