Leader for the quarter. Skillable was also singled out as the Virtual IT Labs Leader for the Enterprise and Mid-Market categories, signifying consistently high ratings by G2 users and substantial third-party market presence on social media, Glassdoor rating and web traffic rank.

These 11 badges are exclusively based on in-depth user reviews submitted on [G2.com, Inc.](#), the world's leading business solutions review website, and bring Skillable's badge total to 30 since Fall 2020.

Additional Winter 2022 category achievements include "Best Results," awarded to the organization that is

expected to produce the best results based on user experiences, and "Momentum Leader," awarded to organizations with the highest scores in the social, web, employee and review data categories, signifying a company's momentum in the marketplace.

"Recognition as the Momentum Leader is particularly appropriate as we ended 2021 with a record 5.7 million lab launches by 870,000 users on our platform and we expect those numbers to continue to grow in 2022," says Corey Hynes, Chief Executive Officer of Skillable. "We're making investments in our team and infrastructure to support this growth, including a 50% increase in our datacenter capacity, and our customers are continuing to find success across our uses cases for hands-on learning."

"Rankings on G2 reports are based on data provided to us by real users," said Michael Fauscette, Chief Research Officer of G2. "We are excited to share the achievements of the products ranked on our site because they represent the voice of the user and offer terrific insights to potential

buyers around the world.”
