Helping humanity is also a priority in the Babylon as %1 of every buy and sell will go to charity. This will support, help and also make communities live a better life. The Babylon is also in negotiation with a reputable charity organization to manage the charity wallet for accountability and productivity.

The team behind BABYLON Token consists of a group of professional entrepreneurs in the field of finance, blockchain, and marketing, who are united to build something outstanding and remarkable.

The Babylon token will launch on Pancakeswap and it will be listed for presale on Pinksale soon. There will also be an airdrop soon and each participant will get \$50 each in airdrop.

In conclusion, the dream of living a better life is only an imaginative fantasy to many as they never achieve it in their life time because they were never free financially and their wealth was not preserved but with the amazing features and prospects of the Babylon project, Babylonians financial freedom and preserved wealth is assured because the Babylon project is indeed the pathway to redefining decentralized finance by preserving people's wealth.
