HAUPPAUGE, NEW YORK, UNITED STATES, January 19, 2022

/EINPresswire.com/ -- [Custom Computer Specialists, Inc.](#) ("Custom"), a leading IT services provider, announced today that they were voted best computer services firm and best cyber security firm in the Bethpage Best of Long Island 2022 contest. Custom's win comes on the heels of being named a Best Places to Work in Rhode Island and winning the [Hauppauge Industrial Association's Large Business Achievement Award.](#)

"To say that I am excited and honored to be voted not only Best Computer

Services firm on Long Island, but Best Cyber Security Firm too would be an understatement," said Gregory Galdi, President and CEO at Custom. "I founded Custom over forty years ago, and every day I wake up thankful for our dedicated clients and the amazing team that works hard supporting our clients' technology and cyber security needs. These awards serve as recognition that our fellow Long Islanders are as appreciative of our efforts as we are of their trust."

The Best of LI contest, conducted each year by Schneps Media, is sponsored by Bethpage Federal Credit Union. The voting for Best of Long Island runs from October 1st to December 15th in which everyone can vote for their favorite business, professional services firm, etc. that they feel should hold a "Best of Long Island" title. With more than 1.4M Long Island voters, it is also the largest and most popular awards program in New York.

In addition to the above awards, Custom has also been a recipient of Cisco's SLED Territory Partner of the Year award, City & State NY Corporate Social Responsibility award, Long Island

These awards serve as recognition that our fellow Long Islanders are as appreciative of our efforts as we are of their trust."
